Jeden Tag auf der ganzen Welt...

testen tausende Menschen unsere DAKO-Produkte. Überall werden sie den anspruchsvollsten Prüfungen unterzogen. Im Versuchslabor des tagtäglichen Gebrauchs werden DAKO-Produkte unter anderem von den Einwohnern des modernen und exotischen Japans, der historischen Hauptstädte Europas, als auch des kalten, fernen Nordens und der warmen Regionen Südamerikas begutachtet.

www.dako.eu

Mehr zu unserem Angebot, der DAKO-Qualitätspolitik, zu unserer Verkaufskette, auch eine Fotogalerie und viele Informationsartikel sind hier zu entnehmen: www.dako.eu
