ABOUT US [PAGE 38](#)

“...do it
**YOUR OWN
WAY.**”

The glazed walls invite the sound of the ocean and the sea breeze inside, blurring the line between the indoors and outdoors. It is a style that seamlessly harmonizes the house

PACIFIC LUXURY

with the surrounding ocean landscape, turning the terrace into an extension of a paradise beach.

PLEATED MOSQUITO NET DK-MPH | ALUMINUM

SOLUTION FOR COMFORTABLE INTERIORS

- Protection of your home against nuisance insects and pests
- Protection from rainfall from trees
- Adaptable to fit almost any type of window or patio door

LUXURY

Hustle, bustle and a fast pace are part and parcel of city life. A house or a flat is an oasis of peace, where you can catch your breath and gain energy. The dominant

URBAN STYLE

subdued color scheme, interspersed with powerful accents and industrial accessories, creates a perfect space for the inhabitants of large urban areas.
