

# SINCE 1994, **DAKO** PRODUCTS HAVE BEEN REACHING HOUSEHOLDS ALL AROUND THE WORLD!

**DAKO is a manufacturer of high-quality windows, entry doors, garage doors, interior, and exterior shutters. Since almost 30 years we have been successfully delivering our products to over 44 countries.**

Our brand is appreciated for its wide portfolio of outstanding products that have been recognized by thousands of satisfied customers, and awarded the Forbes Diamond Award, amongst many other recognized achievements.

We have partnered with over 600 businesses and joinery retailers worldwide and we are always looking to build new business relationships and expand our network of distributors.

## Comprehensive offer

By cooperating with the brand, you can count on our 100% support and commitment. The full range of products lets you purchase complete joinery from one supplier, allowing you to reduce formalities and optimize the order fulfillment process.

## Sales support

The possibility of independent quotes in dedicated online programs and constant, quick contact with the sales department guarantee independence of operations, while the support of dedicated specialists allows for efficient handling of even the most unusual orders.

## Effective and flexible marketing

Professional support in opening a shop, comprehensive equipment with marketing materials and a training package is our standard of cooperation.

## Streamlined logistics and safe transport

Caring about a high standard of packaging, systematic deliveries, and a reliable delivery notification system ensure safe and punctual transport, as well as quick unloading of goods.
