

DAKO at the FIT Show in Birmingham for the 3rd time

In 2025, DAKO once again will present its offer at the prestigious FIT Show trade fair in Birmingham. From 28th April to 1st May, the producer would like to invite you to Hall 9 , Stand H 40, where the latest innovations for the UK and Irish markets will be presented, including the new PVC DPX-76 eXplore system.

FIT Show trade fair is one of the biggest events for construction industry in the UK. Each year it brings hundreds of exhibitors and thousands of visitors – manufacturers from the sector, distributors, investors and specialists looking for reliable technology solutions.

DAKO, as an experienced manufacturer of window and door joinery, is actively expanding its presence in the UK and Ireland, offering a comprehensive range of products tailored to user needs, local regulations, and the specific climate conditions.

New and flagship products at FIT Show 2025

During this year's trade fair, visitors will have the opportunity to explore newly launched products as well as proven solutions that are highly popular in the UK market.

At the modern 91 m² stand, the products on display include:

- ▶ **NEW!** DPX-76 eXplore - PVC joinery system including windows, sliding doors and batch doors on a new profile,
- ▶ **HarmonyLine composition with the Nila model,**
- ▶ **doors and fixed window in DA-45 system** - Heritage style,
- ▶ **DA-77 aluminium window** with **DA-GlassBarrier**,

and more.

Presence at the FIT Show is now a tradition for our brand: this year we will be here for the 3rd time. We have been active in the global market for more than 30 years and in the UK and Ireland from 2020. We are systematically developing our sales network and effectively supporting our Business Partners. Thanks to our rapid lead times, our wide range of solutions and our comprehensive service, we are recognised by both local investors and individual customers.
