

# DA-45 SERIES

in Heritage Style

Functional, universal aluminium system, made for interior installation. The DA-45 system is a way to achieve stable, durable interior partitions and an effective division of space in buildings.

## Historic-style joinery in Crittal/Heritage

The DA-45 Series allows you to build trendy, classic window and door displays in a fashionable Heritage style, which fit in with the design of historic buildings, lofts or living spaces.
